

—and if you arrive by boat and want transportation from the Sakonnet Yacht Club to the Stone House, just call us.

—let us cater your parties, receptions, dinners in our Carriage House and Barn, on the lawn, or in the house.

The Stone House is our home and we invite you to share it with us. We have no Recreation Director, but there is a lot of recreation around if you want it. And there's lots of peace and quiet, and trees and fields and beaches, and the ocean, and birds, sun, rain, storms, tall glasses, and good reading under a shady tree or by a crackling fire.

This is the Stone House.
